

# THE OBUT 531

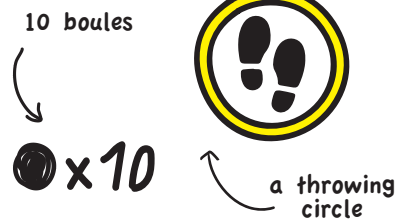

## BECOME A POINTING ACE!

An enjoyable game to help you hone your precision skills.

### CONTENTS OF THE SET

### WHAT YOU NEED

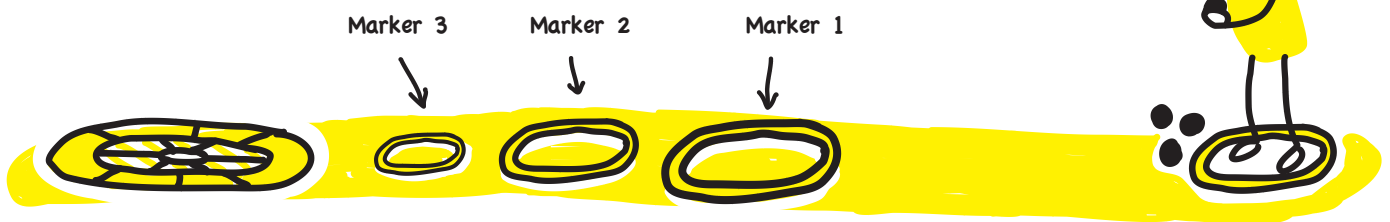

### AIM

To score as many points as possible (max. 100)

### DÉROULEMENT DU JEU

Position target at the preferred distance, then place the 3 marker circles. The marker circle is where your boule must fall before reaching the target.

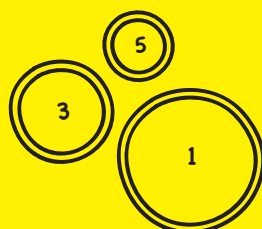

3 combinations are possible to vary the difficulty (see overleaf)

1. Each player continuously plays 10 boules.

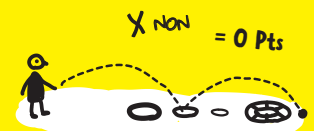

2. For each boule they play, they choose one of the 3 marker circles to try and win 1, 3 or 5 points.

3. The score is obtained by adding together the points won on the target and (see score grid)

4. NB: no points are scored if the boule does not land in a marker circle or if it does not reach the target circle.

**TO VARY THE DIFFICULTY, YOU CAN CHANGE THE ORDER OF THE MARKER CIRCLES AND CHOOSE DIFFERENT DISTANCES.**
